

'A' Grade Electrician

The Midfield Group has an opening for a Qualified 'A' Grade Electrician.

This position involves regular servicing, maintenance, modification and repairs to allow daily production targets to be met and to minimise downtime. New equipment installation and servicing will also be required.

It is expected that all work will conform to legislative, regulatory, safety & quality requirements. Work may be involved across multiple sites generally in and around the Warrnambool area with a rotating day and afternoon roster.

Candidates Requirements:

- Trade qualified
- Strong troubleshooting and diagnostics capabilities
- Possess a high attention to detail and be safety and quality focused
- Be able to work within a team setting and autonomously in a fast-paced environment

The successful applicant will preferably:

- Have Industrial experience
- Be competent with NHP Control
- Have a good understanding of PLC's
- Possess a Forklift Licence and be EWP
- Confined Space and First Aid trained

Interested person should forward written applications, including resume to;
