

A Grade Electrician

The Midfield Group is privately owned and operates a true 'Paddock to Plate' experience as we own farms, factories, and distribution to ensure we retain control of the key elements of the process of getting livestock from paddock to plate.

We have a current vacancy for a highly skilled, safety focused **Qualified A Grade Trade Electrician** to join our team located in **Warrnambool** on Victoria's South West coast.

In this role you will be an integral part of our dedicated maintenance team.

About the role:

- Electrical service and maintenance of plant and equipment
- Fault finding on machines including electrical & mechanical machines and subsequent repairs
- Installing new machines and complete electrical systems
- Repair and maintain all types of electrical equipment

About You:

- You must have an Electrical Trade Certificate and/or other related industry qualification
- Strong experience in a similar role with knowledge of common machining equipment would be highly regarded but not essential
- Effective time management, self-motivated, problem solver & team player
- Strong interpersonal & communication skills
- Basic computer literacy
- You must have the right to work in Australia (38 hours/week)
- You must pass a drug & alcohol test and be willing to undergo a pre-employment medical if required
- You have already had a Q Fever vaccination or are willing to participate in the vaccination process

What we offer:

- \$100,000+ dependent upon experience
- 4 on 4 off roster
- Daily and weekend overtime at penalty payrates available
- Safe and supportive work environment
- Attractive probationary bonuses
- Opportunity for career progression

If this is the role for you, submit a current resume directly to: recruitment@midfield.com.au

The Midfield Group is proud to be an Equal Opportunity Employer.
