

Apprenticeships

The Midfield Group is a major player in the meat processing industry. A wholly owned Australian company with global reach, with its head office is based in Warrnambool, Victoria.

We have vacancies for first year apprentices in the below trades at our processing plant in Warrnambool Western Victoria.

- Electrical
- Plumbing
- Metal Fabrication
- Fitters and Turners
- Refrigeration

Responsibilities:

- Attend a Registered Training Organisation as required
- Follow all safe work instructions and practices
- Working with and under the supervision of tradespeople
- Assist and support tradespersons in maintaining the plant so there is minimal downtime

To be successful you must be:

- Enthusiastic and demonstrate an interest in the trade
- Willing to learn and take instructions
- Ability to communicate with all internal stakeholders
- Prepared to work safely in a fast-paced industrial environment
- Available for an immediate start
- Willing to undergo our Q Fever vaccination program and drug and alcohol testing

Any pre-apprenticeship training will be viewed favourably.

Successful applicants will enjoy a rewarding and stimulating apprenticeship, with continually training and courses throughout the apprenticeship.

All applicants must complete the below link to the Employee Application form and attach a resume.
