

Beef boning room supervisor

About the company

The Midfield Group is a major player in the meat processing industry. A wholly owned Australian company with global reach, its main production facility is based in Warrnambool, Victoria.

About the role

We are now looking for an enthusiastic and motivated Beef Boning Room Supervisor to join our team.

Skills and experience

- Boning room Supervisory experience of 2 years minimum. Beef would be highly desirable
- The ability to organise, plan, and prioritise your work and have a good understanding of cutting lines and specifications and can ensure production schedules are followed
- You understand the importance of OHS compliance and are able to identify, assess, and control workplace hazards, whilst maintaining a safe workplace
- Able to manage and develop a multi-cultural team
- You have an understanding of budgets, financial planning forecasts and can ensure production KPIs are met - yields, recoveries, productivity and manning
- Ability to influence and manage people with a hands-on management approach, whilst being able to problem solve on the run
- Strong knowledge of sanitation compliance, GMP, HACCAP and QA procedures
- You have the right to work in Australia

What we offer

- Negotiable salary based on experience.
- A stable, supportive work environment
- Opportunity for career progression within our global organisation
- Staff discount, on site canteen and parking
