

DIESEL MOTOR MECHANIC

At The Midfield Group we are committed to the growth and sustainability of our suppliers, our company, customers, and the communities in which we operate as to supply quality Australian products throughout the world.

The Midfield Group is privately owned and operates a true 'Paddock to Plate' experience as we own farms, factories, and distribution as to ensure we retain control of the key elements of the process of getting livestock from paddock to plate.

We are seeking a **DIESEL MOTOR MECHANIC** for our Midfield Transport Maintenance Workshop based in **Warrnambool** Victoria.

About the Role:

In this role, you will be required to work alongside a crew of like-minded mechanical tradespeople to deliver maintenance onsite and reporting to the Transport Manager, the successful applicant for this position will be responsible for inspecting, maintaining and repairing heavy vehicles, mobile plant and equipment in a timely manner, to ensure the operating needs of the business are met and:

- Perform repair and maintenance of heavy vehicles, and equipment in a safe manner in compliance with all local, state, and federal regulations and company policies
- Undertaking detailed inspections of heavy vehicles and equipment and correct equipment deficiencies and perform preventive maintenance on company own equipment
- Identify and repair or report worn or failed components, etc.
- Maintaining accurate records (time, repair orders and parts usage) on computer
- Follow administrative procedures for completion of DVR's as instructed
- Complete service forms, brake forms and other paperwork accurately and legibly in accordance with company guidelines

About you:

- You will hold a relevant trade qualification in Automotive Electrical
- A commitment to OH&S and Quality processes and procedures
- High level attention to detail
- Proactive problem solving and troubleshooting skills
- Ability to work to deadlines and adopt a measured approach in pressure situations

What is on offer:

- Secure employment
- Competitive remuneration
- The opportunity to work on late & new model vehicles using state of the art equipment
- Bright clean and open plan workshop
- Excellent career development opportunities
- The opportunity to act as a mentor to apprentices
- On site canteen, staff discount and parking

The Midfield Group are proud to be an Equal Opportunity Employer.
