

## **HEAVY VEHICLE AUTO ELECTRICIAN/DIESEL MECHANIC**

At The Midfield Group we are committed to the growth and sustainability of our suppliers, our company, customers, and the communities in which we operate as to supply quality Australian products throughout the world.

The Midfield Group is privately owned and operates a true 'Paddock to Plate' experience as we own farms, factories, and distribution as to ensure we retain control of the key elements of the process of getting livestock from paddock to plate.

We are seeking a **Heavy Vehicle Auto Electrician/Diesel Mechanic** for our Midfield Transport Maintenance Workshop based in Warrnambool Victoria.

### **About the role:**

- Conduct preventative and breakdown maintenance of all company equipment by running diagnostics testing and servicing diesel engine vehicles
- Identifying and rectifying faults during inspections
- Oil changes, testing engine safety, part upgrades, troubleshooting breakdowns, performing preventative maintenance and repairing faults
- Initiate updates to work procedures to ensure they are accurate and relevant to equipment
- Provide input into root cause analysis and subsequent resolution of issues affecting equipment reliability
- Identifying opportunities for continuous improvement and assist in the implementing of the new initiatives in a constructive way
- Weekend work and 'on call' on a rostered basis

### **About you:**

- You will hold a relevant trade qualification in either Electrical or Heavy Vehicle Automotive
- If applying as an Automotive Electrician, demonstrated experience with diesel engines is highly regarded but not essential
- A commitment to OH&S and Quality processes and procedures
- High level attention to detail
- Proactive problem solving and troubleshooting skills
- Ability to work to deadlines and adopt a measured approach in pressure situations

### **What is on offer:**

- Secure employment
- Competitive remuneration
- The opportunity to work on late & new model vehicles using state of the art equipment
- Bright clean and open plan workshop
- Excellent career development opportunities
- The opportunity to act as a mentor to apprentices
- On site canteen, staff discount and parking

**The Midfield group are proud to be an Equal Opportunity Employer**
