

Assistant Dairy Manager

The Midfield Group located in Warrnambool Victoria are currently expanding their dairy platform and are looking for an Assistant Dairy Manager to complement their team.

To be successful the applicant must have experience and be able to;

- Demonstrate sound communication skills
- Show knowledge in all facets of animal husbandry
- Harvest, assess and maintain milk quality
- Demonstrate knowledge in all other aspects of running a dairy operation
- Understand sustainable pasture management
- Drive safe work practices within the workgroup
- Manage staff effectively

Opportunities for the right applicant could include future progression into senior management of various dairying operations.

Remuneration and salary package will be discussed at time of interview. Interested persons should forward a written application, including resume and references to;

Barry Crimmin
Human Resource/Occupational Health & Safety Manager
The Midfield Group PO Box 412
Warrnambool, Vic 3280
bcrimmin@midfield.com.au

Applications close Wednesday 24th April, 2019.
