

MECHANICAL FITTER & TURNER

At The Midfield Group we are committed to the growth and sustainability of our suppliers, our company, customers, and the communities in which we operate as to supply quality Australian products throughout the world.

The Midfield Group is privately owned and operates a true 'Paddock to Plate' experience as we own farms, factories, and distribution as to ensure we retain control of the key elements of the process of getting livestock from paddock to plate.

We have a current vacancy for a highly skilled and safety focused **Qualified Fitter & Turner** to join our team located in **Warrnambool**, Victoria. In this role, you will be required to work alongside a crew of like-minded tradespeople to deliver maintenance onsite.

About the role:

- Repairing and maintaining machinery and equipment
- Scheduling and completing the companies 'Preventative Maintenance Program'
- Studies drawings and specifications to determine suitable material, method and sequence of operations and machine settings
- Fits fabricated metal parts into products and assembles metal parts and sub-assemblies to produce machines and equipment
- Checks fabricated and assembled metal parts for accuracy, clearance and fit using precision measuring instruments
- Sets guides, stops and other controls on machining tools, sets up prescribed cutting and shaping tools and dies in machines and presses, and sets controls for textile machines.
- Forms metal stock and castings to fine tolerance using machining tools to press, cut, grind, plane, bore and drill metal
- Cuts, threads, bends and installs hydraulic and pneumatic pipes and lines
- Diagnoses faults and performs operational maintenance of machines, and overhauls and repairs mechanical parts and fluid power equipment
- May erect machines and equipment on-site
- Attending daily maintenance situations and breakdowns
- Attending weekly maintenance meetings and toolbox talks

About You:

- Trade Certificates - Engine Reconditioning/ Fitter & Turner/ Machinist and/or other related industry qualification
- Strong experience in a similar role will be highly regarded
- Be punctual and reliable, self-motivated, problem solver & team player
- Strong interpersonal & communication skills
- Basic computer literacy
- You must have the right to work in Australia (38 hours/week)
- You must pass a drug & alcohol test and be willing to undergo a pre-employment medical if required
- You have already had a Q Fever vaccination or are willing to participate in the vaccination process

What We offer:

- \$100,000 plus based on experience
- Full time permanent
- Daily and weekend overtime at penalty payrates available
- Safe and supportive work environment
- \$500 first 3 months & further \$500 after successful completion of 6 month probationary period
- Reimbursement of Q Fever vaccination after 3 months if still employed
- Opportunity for career progression within our global organisation to increase your hourly rate \$\$\$
- On site canteen, staff discount and parking
- Sponsorship assistance

If you, believe you have the skills required for this role please submit a current resume or directly contact us via email recruitment@midfield.com.au. Please note only shortlisted candidates will be contacted.

We are proud to be an equal opportunity employer.
