- Shapes and bends metal sections and pipes using hand and machine tools, and by heating and hammering
- Aligns parts to be joined using hand tools and measuring instrument
- Joins metal sections using various welding techniques, bolting, and riveting
- Examines welds for width of bead, penetration, and precision
- Cleans and smooth welds by filing, chiselling, and grinding

About You:

- You must have a certificate III in engineering (fabrication trade) or other related industry qualification
- Strong experience in a similar role will be highly regarded
- Self-motivated, problem solver & team player
- Be punctual and reliable, well organised, tidy and efficient
- Have strong interpersonal & communication skills
- Basic computer literacy
- You must have the right to work in Australia (38 hours/week)
- You must pass a drug & alcohol test and be willing to undergo a pre-employment medical if required
- You have already had a Q Fever vaccination or are willing to participate in the vaccination process

What We offer:

- Pay rates based on experience level plus Super
- Full time permanent position

- Daily and weekend overtime at penalty pay rates available
- Employee Assistance Program
- Safe and supportive work environment
- Opportunity for career progression within our global organisation to increase your hourly rate \$\$\$
- Accommodation assistance
- On site canteen, staff discount and parking

If you, believe you have the skills required for this role please submit a current resume or directly contact us via email recruitment@midfield.com.au. Please note only shortlisted candidates will be contacted.
