

PLUMBER

At The Midfield Group we are committed to the growth and sustainability of our suppliers, our company, customers, and the communities in which we operate as to supply quality Australian products throughout the world.

The Midfield Group is privately owned and operates a true 'Paddock to Plate' experience as we own farms, factories, and distribution as to ensure we retain control of the key elements of the process of getting livestock from paddock to plate.

We have a current vacancy for a highly skilled and safety focused **Qualified Plumber** to join our team. In this role, you will be required to work alongside a crew of like-minded tradespeople to deliver maintenance onsite.

About the Role:

- Setting out and installing hot and cold-water systems and associated equipment
- Undertake Storm water, Sewer Installations
- 'Rough-In' Water and Gas services
- Studying blueprints, drawings and specifications to determine the layout of plumbing systems and materials required
- Designing and installing sanitary plumbing and water supply systems, discharge pipes and sanitary fixtures
- Fabricating and installing soil and waste stacks
- Assembling and installing mechanical services plant, air handling and conditioning equipment and small-bore heating systems
- Installing sewerage and effluent pumping equipment and disposal systems
- Installing below-ground drainage systems and associated ground support systems
- Installing gas appliances, flues and pressure regulating devices
- Fabricating and installing metal roofing, rainwater goods and flashings
- Penetration and inground service installations
- Final 'Fit off' and finishing installations with high quality work
- Following standard operating procedures, safety procedures and quality control methods
- Ability to read and interpret plans/drawings

About You:

- You must have a Plumbing Licence and/or other related industry qualification
- Must have a sound knowledge of all tasks and activities related to new installations as well as a sound knowledge of the Plumbing Code and Australian standards
- Gas fitting Licence (preferred not essential)
- Strong experience in a similar role will be highly regarded
- Self-motivated, problem solver & team player
- Be punctual and reliable, well organised, tidy and efficiency
- Have strong interpersonal & communication skills
- Basic computer literacy
- You must have the right to work in Australia (38 hours/week)

- You must pass a drug & alcohol test and be willing to undergo a pre-employment medical if required
- You have already had a Q Fever vaccination or are willing to participate in the vaccination process

What We offer:

- Pay range 75,000 – 85,000 based on experience plus Super
- Full time permanent position
- Daily and weekend overtime at penalty payrates available
- Safe and supportive work environment
- Opportunity for career progression within our global organisation
- Relocation assistance
- On site canteen, staff discount and parking
- Sponsorship assistance
