

Quality Assurance Officer

At The Midfield Group we are committed to the growth and sustainability of our suppliers, our company, customers, and the communities in which we operate as to supply quality Australian products throughout the world.

The Midfield Group is privately owned and operates a true 'Paddock to Plate' experience as we own farms, factories, and distribution as to ensure we retain control of the key elements of the process of getting livestock from paddock to plate.

We have a current vacancy for a detail focused **Quality Assurance Officer** to join our team located in Warrnambool, Victoria.

About the role:

As a Quality Assurance Officer, you will be critical in ensuring the food safety and compliance of our outgoing processed meat products and provide support to the division's QA function. This is a full-time opportunity.

- Conduct pre-despatch hygiene and compliance checks
- Conduct monitoring checks in processing and packing areas
- Identify compliance issues and take corrective action where applicable
- On the job training will be provided

About you:

- Ability to work autonomously
- Possess a keen eye for detail
- Ability to exercise judgment and think on your feet
- A proactive attitude and the ability to trouble shoot potential issues
- Experience in the food or hospitality industry would be looked upon favourably but not essential

If you believe you have the skills required for this role, please submit a current resume via email recruitment@midfield.com.au. Please note only shortlisted candidates will be contacted.

The Midfield Group are proud to be an Equal Opportunity Employer.
