

Rendering Plant Manager

At The Midfield Group we are committed to the growth and sustainability of our suppliers, our company, customers, and the communities in which we operate as to supply quality Australian products throughout the world.

The Midfield Group is privately owned and operates a true 'Paddock to Plate' experience as we own farms, factories, and distribution as to ensure we retain control of the key elements of the process of getting livestock from paddock to plate.

We are currently seeking an experienced **Rendering Plant Manager** to join our team in Warrnambool Victoria. This is a great opportunity to play a key role in managing our state-of-the-art plant.

This role will be responsible for overseeing all aspects of Rendering in a new Haarslev facility producing high & low temperature bovine and ovine products. [CLICK HERE](#) for plant tour.

About the Role:

- Coordination of production to ensure compliance of the plant, product safety, environmental and OH&S standards
- Work closely with our sales team for domestic and export sales of meal and tallow
- Planning and organising maintenance requirements within the operation
- Communicating and reporting to all stakeholders, including regulators
- Developing recommendations for continuous improvement
- Managing staff
- Working with and reporting to the General Manager on a regular basis

About you:

- Possess a strong understanding of the rendering process
- Effective written and verbal communication skills
- Demonstrate attention to detail and accuracy in work
- Knowledge of regulatory compliance
- Rendering commodity sales experience would be an advantage but not essential
- Sound mechanical, maintenance or engineering skills and experience

What We offer:

- Opportunity to work with state-of-the-art equipment and advanced modern technology
- Competitive salary and conditions
- Opportunity for career progression within our global organisation
