

Senior Cattle Stock Handler required

The Midfield Group has a full-time position available for an experience Senior Cattle Stock Handler.

The farming property is located approximately 20 kilometres from Mount Gambier in the South East of South Australia

The successful applicant must have extensive experience and be competent in all aspects of Stock Handling, Pasture Management, Rotational Grazing and Animal Husbandry & Health.

The position will require at least 1 working dog but 2 would be the preference. Experience with FEL tractors would also be an advantage.

This position would suit a highly motivated individual with good time management skills, that can work safely both unsupervised and, in a team orientated environment.

There will be a requirement to work rostered weekends.

A house is also available on the property for the successful applicant.

Remuneration will be discussed at interview
